

Stay Informed if the Power Goes Out

Don't get left in the dark—sign up for outage notifications from MGE!

MGE customers can sign up to receive notifications if the power goes out at their home or business. You also can report electric outages online and by text message.

Enhanced outage map

You can now report an electric outage on our outage map at mge.com/outage.

Other map features include:

- The display of maintenance outages, which occur when MGE temporarily turns off electricity or gas due to equipment inspection or repair.
- A real-time weather overlay.

Reporting an outage

Report an outage online, by text or by phone:

- Visit mge.com/outage and click the REPORT OUTAGE button,
- Text “OUT” to 73904, or
- Call us at (608) 252-7111.

Outage notifications

Visit mge.com/notifyme or scan the code to sign in to My Account and opt in to receive text, email and/or automated voice call notifications if an outage occurs at your home or business.
