

# Simplify and save time with My Account!

My Account makes it easy to manage your MGE account while keeping track of energy use at your business. You can pay your bill online, access MyMeter, opt in to notifications and more.

## Streamline your bill payment process

- Set up online payments with a bank account, credit card or debit card.
- Enroll in and manage AutoPay.

## Access your MyMeter energy dashboard

- Set usage threshold alerts, track performance and download energy data.
- Perform energy benchmarking.

## Sign up for outage notifications

- Get a text, email and/or automated voice call if the power goes out.
- Notifications provide the outage time and estimated restoration time.

## Enroll in MGE programs

- Reduce your carbon footprint with flexible, affordable renewable energy programs like Green Power Tomorrow.

## Go paperless

- Save time and paper by enrolling in Paperless Billing.

Not registered for My Account yet? It's easy—all you need is the account number and the account name as it appears on your bill. Visit [mge.com/myaccount](https://mge.com/myaccount) to get started!
