Stay Informed if the Power Goes Out

Sign up for outage notifications from MGE!

MGE customers can sign up to receive notifications if the power goes out at their home or business. You also can report electric outages online and by text message.

How to sign up

Visit *mge.com/notifyme* or scan the code below to sign in to My Account and opt in to receive text, email and/or automated voice call notifications if an outage occurs.

How to report a power outage

Report an outage online, by text or by phone:

- Visit *mge.com/outage* and click the REPORT OUTAGE button,
- Text "OUT" to 73904, or
- Call us at (608) 252-7111.

Did you know?

MGE remains a national leader in electric reliability, most recently ranking second in the nation for the fewest number of outages per customer. Visit *mge.com/reliability* to learn more.
